Subject: Withdraw of Variance and Special Use Request to Board of Adjustment

Mr. Poston,

My wife and I would like to withdraw our request for variance on the property at 9310 Hwy 10 W in Vale. Also we would like to withdraw our special use permit request for the above named property. At the county commissioners meeting on September 21, 2009 our case was presented by Chris Timberlake. The county commissioners voted unanimously to allow us to change the zoning of the before mentioned property from R-40 Residential to Highway Commerical – Conditional Use. If you could please send my dearest regards to Jackie, Chris, and the members of the Board of Adjustment and the Planning board for all their help. I appreciate your effort in all of these matters and will look forward to working with you in the future in other endeavors. Thank you very much.
