MINUTES OF
CATAWBA COUNTY BOARD OF ELECTIONS
October 6, 2026

1-Board Chair David Hood called the meeting to order at 8:15 a.m. All members were present.

2-The Board approved the minutes from the meeting of September 29, 2026.

3-Board reviewed Absentee ballots.

132 Civilian ballots were reviewed, board approved. Envelopes opened, fed into tabulator.
12 Overseas ballots were reviewed and approved, tabulated.
Previously received 244 ballots, 144 approved today for total of 388 ballots. Machine counts: 206 and 182= 388.

Three resolutions were considered.
1) Resolution to review and approve Provisional ballots cast during early voting. To be done at 5:00 p.m. on Nov. 2, 2026. Approved by Board.
2) Resolution to adopt a time to count ballots cast during Early Voting hours. Resolution as presented will have reference to counting Absentee ballots removed. Board approved resolution as amended to adopt time to count only Early Voting ballots at 2:00 p.m. on November 3, 2026.
3) Resolution to adopt a time to count Absentee by mail ballots at 5 p.m. on November3, 2026. Resolution approved by Board.

Discussion of political signs and tents at early voting sites. Dir. Duncan discussed previous complaints received regarding political signs. Complaints are that current policy is not consistent across all sites, and signs block view of traffic at Mt. View site on Hwy. 127. Suggested that policy be revised to apply consistently to all 5 sites and reinforce that signs can only be placed in designated areas.

Duncan discussed tents at early voting sites. The main issue is that parking is limited at Conover and Newton. Duncan informed Board of changes in parking at Newton library. Employee parking site is now gone. A new site has been obtained for employee parking at a nearby church. Duncan has put in request to county to pave empty lots that county owns to be ready for 2028 election. Duncan also said that parking at Conover site is tight.
Suggested we might want eliminate tents and/or require them to be removed each evening.
Motion was made to leave policy regarding tents as is for now. Board approved motion as well as change in language in sign policy.

Duncan discussed issue with students at LR University. Until now, all students were registering using a LR post office box as their address. But law requires them to register where they sleep. League of Women Voters has been doing registration drives at LR, and they, as well as the BOE are updating registrations to reflect the address of the dormitory where they reside. BOE has removed the post office address from their database, which makes them an inactive voter. So when a voter arrives to vote, they will be required to update their address.

There being no other business, Chair Hood adjourned the meeting at 9:06 a.m.

Respectfully submitted,
Barry Cheney- Secretary
