

# SAFE PLATES FOR FOOD MANAGERS:

## A Certified Food Protection Manager Course

Safe Plates for Food Managers is an evidence-based, interactive food safety training course developed by NC State University. This training course prepares participants for a CFP-ANSI accredited Certified Food Protection Manager exam from the National Registry of Food Safety Professionals. This is a comprehensive program for food service managers and supervisory staff in restaurants, hospitals, nursing homes, schools and other food handling establishments. **For more info, visit [go.ncsu.edu/safeplates-retail](http://go.ncsu.edu/safeplates-retail).**
