Our Mission: To strengthen, with dignity and respect, the well-being and quality of life for all citizens through supportive services and advocacy.

Welcome

Our yearly goals and plans are outlined in our Balanced Scorecard. This document allows the public to see our goals and the progress we are making toward achieving them. See the [Balanced Scorecard](#).

We are also a reinventing government agency. This means we commit to achieve at least 90% of the outcomes we set each year. In 2015-2016, we achieved 91% (49 out of 54) of our outcomes while being fiscally responsible, responsive to our citizens, and providing quality customer service. We thank our many dedicated employees who consistently go above and beyond the call of duty to respond to our citizens' needs in an efficient and effective manner. We also thank the many community members, businesses and other organizations who have stepped up to help us with many of the unmet needs in our community.

We also appreciate the continuing support of our Catawba County Social Services Board and the [Catawba County Board of Commissioners](#).
