

We would like to propose a rezoning of the parcel at 2201 Finger Bridge Rd (360903327394) from the present R-20 to the less-dense R-40. The parcel is adjacent to other areas of R-40, and the Mountain View Small Area Plan shows a split between the western portion of the parcel and the eastern portion, with a large portion of the parcel zoned R-40.
